**Description**

See [https://tails.boum.org/doc/about/openpgp_keys/signing_key_revocation/index.en.html](https://tails.boum.org/doc/about/openpgp_keys/signing_key_revocation/index.en.html) and internal.git:processes/signing_key_revocation.mdwn. We built this list in 2017 and I think it needs an update.

We should also create another ticket to update it again in some years.
