**Description**

On the tails-dev mailinglist, it was discussed that Tails was interested in retrieving more information about how Tails(users) can benefit from it.

We have filled in their form on prb.openitp.org on what we do. This ticket will be used to give updates about the communication with OpenITP.

According to the PRB e-mail list:

Unfortunately, State Department has declined to provide any further audit funds, so the PRB is not currently operating. I haven't been with OpenITP since funding ceased, so the site hasn't been updated.

I don't think this will happen anytime soon..
